Rotz Pharmacy Cares About You!

Are you....

... **Diabetic?** Rotz Pharmacy can take care of all of your diabetic care needs! We offer...

- Diabetic test strips and monitors as well as training on how to use your monitor.
- Diabetic Shoes with custom fit insoles and socks.

We bill Medicare and **you may pay nothing** for shoes & insoles.

- Sugar-free medications and cough drops.
- Other over the counter remedies to help treat issues that arise due to diabetes.

... **Having difficulty organizing all of your medications?**

... **Forgetting to take your medicine on time every time?**

Ask us about our "**Medicine-On-Time**" program.

This easy to use packaging of your prescriptions will help reduce your worry in managing multiple medications throughout the day.

No more thoughts of, "**Did I take my medicine today???**"

... **Over 65 years old or turning 65 soon?**

We will help you choose and enroll in a Medicare Part D Plan.

Not all plans are created equal... In fact. Plans are tailored to the prescriptions you take.

Plans should be reviewed yearly during the open enrollment period.

Rotz Pharmacy will perform a comprehensive review of your current medications and recommend the most cost effective Part D Plan for you.... For free!

Adult Vaccination Program

We give **ALL VACCINES** including: Zostavax (Shingles), Flu, Pneumonia, Tetanus/Pertussis, etc.

No Appointment *** **No Wait** *** **No Office Visit Charge** *** **We Bill Your Insurance**

Our trained and Certified staff can counsel you privately (and for free) about ALL Vaccinations. We have been providing immunizations to the Winchester/Frederick County community since 1997.
